# Meeting Agenda

Group meeting for group GoAyo.

## §1 Objectives

- Finish SDD and RAD, as well as start on presentation.

## §2 Reports

- No reports, all issues have been finished nicely.
- The SDD is written in LaTeX and RAD is written in Google Docs.

## §3 Discussion Items

- How are we going to divide the presentation?

## §4 Outcomes and Assignments

### Outcomes

- SDD is completed and pushed to the repository.
- RAD is completed and pushed to the repository.
- RAD and SDD have been merged into the final report which has been turned in.

### Assignments

- Each person plans their part of the presentation 'til sunday.

## §5 End of Meeting

One more last meeting on sunday to prepare the presentation.
