## Meetings:

- TODO

## Roller:

- En samordnare som fixar möten
- Dokumentations-rollen skiftas mellan gruppmedlemmarna

## Documentation:

- Meeting protocols will be uploaded to the GitHub repository.
- Things that will be documented:
  - Objectives
  - Reports
  - Discussion Items
  - Outcomes and Assignments

## Fears:

- Conflicts.
  - Keep work and personal things aside.
- Uneven workload.
- Lack of involvement.

## Needs:

- Effective communication.
  - Explicit times, place, and progression.
    - Daily stand-ups as a way to solve this.
      - Communicate what we have done and what our current tasks are.
- Clear roadmap and deadlines.

**Git Discipline:**

- **TODO**

**Ambition:**

- **We are striving towards the mark 4+ (5).**
- **To be on phase with the course curriculum.**
- **We are hoping that this project will be something that we can show on our resumes. Not only as a school project.**
- **Comfort within the group.**
